

SHWETA SATISH RATNAPURE

Full Stack Developer || Responsive Web Developer || UI/UX Developer || Frontend Developer

9552345005 | ratnapureshweta@gmail.com | [Portfolio Link](#) | [LinkedIn](#) | [GitHub](#)

Selected Projects

Portfolio Website | [LINK](#)

- Incorporated **UI/UX practices** to meet project requirements and create a compelling presentation of my work.
- Utilized technologies like HTML, CSS, JavaScript, and a responsive framework to create a modern and professional design.
- Implemented **JavaScript filters** to enhance portfolio interactivity, allowing users to dynamically sort and filter projects by categories
- Integrated **AOS (Animate on Scroll)** library to enhance user experience with smooth, visually engaging animations on scroll

Wedding (Web Template) | [LINK](#)

- This Web Template is developed using HTML5, CSS3 and Bootstrap
- **Fully Responsive Design** using Bootstrap's grid system
- **Modern UI/UX** with CSS animations and transitions.
- **Optimized for Performance & SEO** with structured HTML and semantic elements.

Dashboard Using ReactJS | [Link](#)

- React.js, JavaScript, Material-UI, Chart.js, React Router
- **Project Description:** Developed a dynamic and interactive dashboard using React to visualize and manage data efficiently for business analytics. The dashboard included features such as data visualization, user management, and real-time updates to enhance decision making processes.

Learning Management System

- Java Servlets, HTML, CSS, JavaScript, MySQL Database, Apache Tomcat Server, Eclipse IDE.
- Developed a backend learning management system utilizing **Java Servlets** and **JSP** for dynamic content generation.
- The system retrieves and displays data from the **MySQL database**, ensuring efficient data handling.
